fab finds from glow's style editor

This month, I'm looking for cute winter accessories and getting primed for party season **BY VANESSA TAYLOR**

winter warm-up

Keep toasty warm with these little extras all winter long.

1. The snowmobiling boot has undergone a serious makeover in girly shades of purple, turquoise and pink.
2. This hand-knit hat is lined with fleece to avoid a scratchy forehead.
3. The fingerless option is perfect for when you're answering your cell phone, and folds over into a mitten to keep you warm.

SOREL BOOT, \$110

NOBIS HAT, \$50

OLD NAVY GLOVES, \$15

trend we love

COACH AMANDA FOLD OVER CLUTCH, \$350

chain straps

Take this one out for a spin with any of your favourite LBDs - I love the bright '80s hue with a gold ladylike chain.

THIS HOT MINI LOOKS FAB WITH UNDONE HAIR AND NO BIG JEWELLERY.

HEAD-TO-TOE GLITTER IN A JUMPSUIT IS A DEFINITE NO-NO.

WAY TOO MUCH
